Introduction

It is important that ExploreLearning distinguish itself within the education market by consistently branding the company's identity. The purpose of the attached guidelines is to ensure that our company remains at the forefront of the education industry by effectively differentiating itself. By following the guidelines, we make certain that all customers and clients know that when they see our logo, it presents an ExploreLearning product or publication.

It is essential that we follow these guidelines and refer to them at all times. Please read them carefully and follow the rules closely. If there are any questions, please contact ExploreLearning Marketing at **866-882-4141**.

Thank you for your cooperation.
